# Welcome to Coventry

## An Introduction to your Summer School

It's a great pleasure to welcome you to the Faculty of Business and Law of Coventry University.

We hope that you will find our Summer School programme to be interesting and rewarding, and that it will provide you with some unique experiences that will be beneficial to you in your studies and future career.

We are very proud of our courses, our staff and our students here at Coventry University. We are privileged to hold many national and international accolades as a result of our great teaching and learning environment, and we continually strive to develop a global learning community with partner institutions and students from around the world.

We hope that you will find your time in Coventry enriching both academically and personally and look forward to meeting you in person very soon!

# Coventry University

## A World of Opportunity

Coventry University is nestled in the heart of the City and occupies a compact, single site campus to provide students with unrivalled access to University services. Its presence within the City Centre is highlighted through its recent £100 million campus investment with the completion of the Engineering and Computing Faculty Building in 2013, and the new Health and Life Science building, brand new for 2017.

### Lanchester Library

A stunning feature of Coventry University is the Lanchester Library, which is a high-tech centre for information access in a state-of-the-art energy efficient building. Alongside an extensive collection of books and current periodicals, the Library offers 1150 study spaces, extended opening hours, electronic information sources and an extensive audio-visual collection.

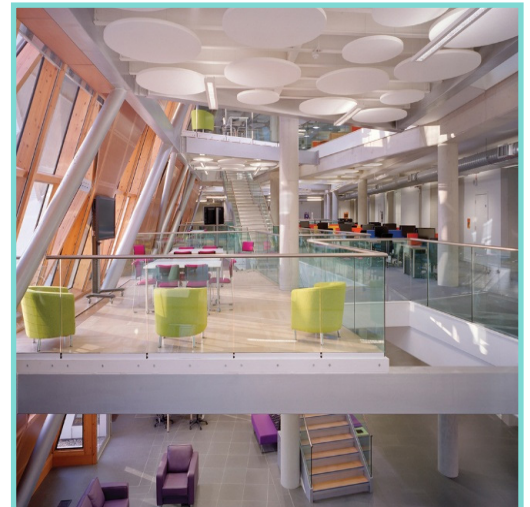

### The HUB

The HUB really is the centre of student campus life - the place to gather, meet friends, grab a Costa Coffee or a meal in the fantastic food court (where you will be having your breakfast and evening meals).

Costcutter on the ground floor is great for daily essentials and you can buy Coventry University gifts or souvenirs from the Students' Union shop on the first floor.

This RIBA (Royal Institute for British Architects) Awarded Building also has computers to work on, pods and meeting spaces for group work or seminars sessions and even bean bags if you just fancy a rest before your next lecture!

In the HUB, you will also find the Faith and Spirituality Centre, the student doctors and counselling service, and Square One 3D Cinema.

# Accommodation

## Stay on our campus

Coventry University hosts a variety of different accommodation with catered and self-catered options available.

All halls of residence are within walking distance of the University, some are even based in the heart of our City Centre campus.

All accommodation provides single study rooms that feature a desk and chair, wardrobe and bookshelf. Bed linen will also be provided.

You will be staying in catered accommodation, providing you with breakfast and dinner from Monday to Friday. You will also have access to a kitchenette, with a microwave and rice cooker.

Bathroom facilities are usually shared between 5-8 people, with a washbasin available in each room.

You can feel safe in our halls as we have on-site security and CCTV throughout.

## Your Accommodation will be in Priory Hall

- ✓ Breakfast and Evening Meal provided Monday - Friday in The Hub
- ✓ Kitchenette facilities including microwave and rice cooker
- ✓ Bedding Packs provided on arrival (containing bedding, pillow and duvet)

# The City of Coventry

## On your doorstep

Coventry is the UK's eleventh largest City; an exciting place to study and live with extensive arts, culture, sport and heritage to keep you entertained. The City itself is currently benefitting from a £6 billion redevelopment with a completely new City Centre to include green parks, open spaces, a brand new shopping centre and an iconic city library. You can also enjoy the history behind Coventry, by visiting the cathedral ruins. These were bombed during WW2 but now provide a stunning backdrop to the university campus.

Take the short walk to the Transport Museum to complete your trip into Coventry's past. It's also worth checking out the Herbert Art Gallery, which is located at the rear of The HUB.

If sport is your thing, Coventry is home to the Ricoh Arena; a 32,000 all seater football stadium, which has also been used to host big name acts such as Bon Jovi, Muse and Take That. You could also visit Coventry's Ice Hockey team 'The Blaze' at the Skydome Arena, or Coventry Bears Rugby at the Butts Park Arena, all walking distance from the University.

Just outside of Coventry is Birmingham, known as England's second capital city. Here you will find the Bullring; a vast shopping centre with everything from clothing stores and fast food restaurants, to a cinema and bars to relax after a long day shopping. The shopping centre itself was the busiest in the United Kingdom in 2004 with 36.5 million visitors. It houses one of only four Selfridges department stores and the fourth largest Debenhams.

Coventry is also close to Stratford-Upon-Avon; the birthplace of William Shakespeare. This busy little town has old buildings with thatched roofs, quirky shops and boats for hire on the River Avon. Only 45 minutes away, Stratford is a great place to visit when the sun is out.

# Summer School Itinerary

## An Introduction to your Summer School

\*Please be aware that the itinerary is subject to change at this stage, a finalised itinerary will be sent to you prior to your arrival.

### Day 1: Sunday 15th July 2018
